Mobile Phone Holders

KLEIN TOOLS
For Professionals... Since 1857®

A variety of sizes and tough enough to be a Klein!

Klein now has three Powerline™ mobile phone holders for when you need quick and easy access to your phone. Two new mobile phone holders are designed to hold various small (Cat. No. 5715S) and medium (Cat. No. 5715M) sized phones, while the improved large holder (Cat. No. 5715) can also be used for other electronic devices such as PDA's, 2-way radios, and testers. Made of Cordura® Plus these phone holders combine comfort with lightweight toughness to stand up to the everyday rigors of the job. Built Klein tough for long-lasting wear.

Features

Cordura® Plus construction for longer life and durability.

Convenient antenna cut out.

Heavy duty metal clip for belts up to 2" wide.

Quick access Velcro® flap, designed to securely hold phone.

Padded pocket to protect phone.

Strong and durable to withstand harsh working conditions.

Constructed of 1000 denier Cordura Plus and 500 denier padded Cordura Plus.
