ARTIK Interface II Board

SKU 103990183

Description

The ARTIK Interface II Board, a joint effort by Samsung and Seeed, is a replacement for the original interface board included in the ARTIK 530/530s and ARTIK 710/710s Starter kits. The ARTIK Interface II board provides the same functionality as the original interface board, including access to peripheral such as GPIO, SPI, ADCs and UARTs through two 40 pin connectors, plus Arduino compatibility.
